Forbes

"Bike sales are exploding – again."

BBC

"The bicycle boom in transportation and fashion is linked to Cycle Chic – including bicycles and bicycle accessories as expressions of personal style."

The New York Times

"Cycling is booming – globally."

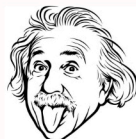

PERSISTENCE — MARKET RESEARCH —

"The global bicycle accessories market is set to grow from \$18.4 billion in 2025 to \$29 billion by 2032"

THE NEW YORKER

"The bicycle might just save the world."

"Life is like riding a bicycle.
To keep your balance you must keep moving."
